Technical Skills

Frontend development: ReactJs, Redux, TailwindCSS, HTML, CSS

Backend development: NodeJs, ExpressJs, Java

Database: MySQL, MongoDB

Others: Git, Postman, Visual studio code

Experience

Cognizant Technologies

Oct 2021 – Present

Software Engineer

Noida, Uttar-Pradesh

- Developing automation solutions to streamline processes and reduce manual efforts.
- Optimizing system performance, and collaboration with cross-functional teams to implement efficient solutions.
- Working closely with clients to understand their needs and customize automation solutions to meet specific requirements.
- Proactively addressed and resolved production defects, fortifying system robustness and stability for enhanced reliability.
- Orchestrated a seamless migration of the MongoDB database, achieving an extraordinary 88% reduction in process time—from 13.5 hours to an impressive 1.5 hours
- Implemented a few automated solutions utilizing Node.js and Express.js that empowered users to resolve their issues independently through a user-friendly portal, eliminating the need to visit customer service and significantly reducing resolution time.

Projects

PortFolio Website:

live demo |  [github](#)

- A sleek and professional portfolio website showcasing my skills, experiences, and projects, designed to impress potential employers and collaborators

PizzaMania: | Your Ultimate Slice of Satisfaction!

 [github](#)

- Developed and maintained the PizzaMania app, a modern and user-friendly pizza ordering platform built with **React, Redux, React Router, and Tailwind CSS**.
- Utilized responsive design principles and CSS frameworks like Tailwind CSS to ensure seamless user experiences across desktop and mobile devices on the PizzaMania app.

CineSearch: | Explore, Rate, and Save Your Favorite Movies

live demo |  [github](#)

- Developed CineSearch, a dynamic web application built with **React and integrated with an external API** for comprehensive movie data.
- Users can effortlessly search for any movie title, with real-time results displayed instantly on the interface.

Certificate

Microsoft certified: AZ 900 azure fundamentals

Feb-2024

Education

Moradabad Institute of Technology

2017- 2021

Bachelor of Technology in Computer Science

Moradabad, Uttar-Pradesh
